A Dynamic Group of Prayer Warriors

Royal Oaks Manor is truly a place with a dynamic group of prayer warriors.

Under the Pastoral care of Dr. Harold Lane, their Chaplain ; and vital leadership of the Spiritual Life Committee, chaired by Ethel Whitson, the 2014 National Day of Prayer was held on May 1st.

Nearly 100 faithful prayer warriors joined in this observance with Pledge of Allegiance, Scripture Reading and Hymn Singing. The President and the Executive Director shared their greetings. Dr. Szeto also shared the greetings from many needy children, seniors from China.

The rest of the time was spent in the presence of our Lord in prayers -- offered by various leaders, praying for those in Health Care, Military Personnel, Staff and Administrators. The most moving moment was when all uttered the words written by Anne Graham Lotz, as the 2014 Prayer for Our Nation. All felt the warmth and nearness of the Holy Spirit.
